GRETCHEN OBERST

GRETCH,

TO A REAL GOOD
KID. WE'VE HAD LOADS
OF FUN. HOPE WE HAVE
LOADS MORE.

"HAPPY BIRTHDAY"

Phil
"70"

Gretchen,
I hope you will never forget the fun we have had this past year - including driver's training, school dances, parties, and activities. I know you and I will be friends always.
(Annie Elaine "69")

P.S. Glad you got your license!!

Gretch,
All those laughs in algebra class that we shared together. Good luck in everything you do.
Love,
Mary Ann "69"

Gretch,
Have a great birthday and a great year.
Love,
Debbie

Gretch
Remember all the times we were late for third hour class because I was always dying of thirst and them Mr. Bender would believe me and let us go
Good luck
A Friend always

Gretch
Here's to an imaginative nut. Never forget all those nutty added believable stories you can tell. Well, Mr. Schreiber will be gone next year (I hope) so that will cut half the discussions that we will have to listen too. Your a great kid so never give up because you have alot of great talents. Best of Luck in the future. and Pray the Lord bless you in everything you try to attain. Your a real great worker!! Stay a nice as you are now and never forget our Sophomore year! Love ya forever and always
June

Gretchen!
Here's to someone
who has really got
something anyway. I
Well, you don't forget all the
hope you don't forget all the
swell times we had at our parties -
gossip and all. Then there was that real
good one at Rosemarie's. We had our tough
times - the talent show, concerts - but we sure
(Barely) Maybe I'll see you next year
will have a riot (I promise).

In Appreciation to

Mr. George Telgenhoff,

Who Has Given So Much,

We Dedicate This 1967

Brecksonian

Throughout the time that he has been our superintendent, Mr. Telgenhoff has always found the time in his busy schedule to concern himself with all aspects of school life. In the few candid pictures on this page, we see Mr. Telgenhoff involved with the most important part of a school, the people who make it live.

For his tireless efforts and constant devotion to his job we, the staff of the 1967 Brecksonian, can find no more worthy choice to whom we dedicate our efforts and the spirit of all the students of Breckenridge High School.

Students are among Mr. Telgenhoff's favorite people. Here we see him conferring in the hall after school with Kim Gee, Diana Herweyer, and Pat Gallagher.

New teachers to the system as well as those who have been here for a few years frequently find themselves receiving words of encouragement from Mr. Telgenhoff. Here, Mr. Rosenberger and Mr. Telgenhoff discuss some of the new equipment in the science department.

Although Mr. Telgenhoff likes to go about the school, he also has to run the business end of our educational system. Here, he and Mrs. Daniels and Mrs. Morford discuss some of the complexities of keeping the school running smoothly.

Editor's Letter

I would like to express my appreciation to the 1967 Annual Staff for their help on this year's BRECKSONIAN, also for their long hours and hard work on this yearbook.

I especially want to thank my Assistant Editor, Rosemary Stover, and Sports Editors, Dan Behringer and Dave Briggs, for their help in planning our 1967 BRECKSONIAN.

I would like to thank Powell Studios for taking some of the large group pictures and also to thank Mr. Ed Belles for his co-operation in taking many pictures.

A man that deserves a very special thanks is Mr. Grahek, our advisor. Without his help, it would have been very difficult to put together our 1967 BRECKSONIAN.

Thank-you

Cindy Dunn, Editor

Exchange Student '66-'67

Hakan Ericksson, the son of Sten and Gurly Ericksson, is our exchange student from Sweden this year. He has two sisters, Britta, eleven; and Kirsten, three. He has one brother, Sture, who is twenty. The Ericksson family lives in Norsjo, Sweden.

This 6'1" seventeen year old boy lives with the family of Mr. and Mrs. Laurien Williams of Route 1, Wheeler. After Hakan graduates from B. H. S., he has three more years of school before he can enter a college.

We are very happy to have Hakan as a member of the class of '67.

Hakan enjoys studying in the new library.

A total of 20 varsity candidates greeted new Head Coach John Henderson's call for recruits on the first day of practice early in August.

Strong returning lettermen plus a host of able newcomers were molded quickly into a winning combination, as the Huskies reeled off three straight victories including the 27-0 trouncing of non-conference rival Edmore Montabella.

Injuries took their toll of veterans in key positions, however, and the Huskies failed to come up with the necessary offensive power to turn defeat into victory, and finished the seaosn with an overall record of 3-6, good enough for 4th place in the tough CML conference.

JV Football --

The future of any varsity sport at any school depends on the ability, desire, leadership qualities, and early training in fundementals of the boys at the junior varsity level. From the performances of our junior varsity football team this past season we are able to predict the coming of even more spirited teams than we here at Breckenridge have had in the past.

Under the leadership of Coach Troesken the junior varsity has shown the desire and the fight necessary to produce a winner in the man's game called football.

Co-captains Alva Kelley, at the left, and Barry McCaw, at the right, find time to talk with Coach Troesken about next year.

JV Basketball

The Junior Varsity squad exhibited signs of things to come when Coach Britton's talent-loaded Huskies rolled up a 7-7 season record and captured a share of the conference tourney crown. Although handicapped by inexperience, the Junior Varsity boys displayed an unusually strong team effort and rugged tenacity. Playing like a unit of hard-core veterans, the J.V.'s battled from behind time and time again to notch their share of the close ones. The nucleus of this spirited team will return next year in Varsity uniforms.

Wayne Delo attempts to rebound as Martin Haag moves in to assist.

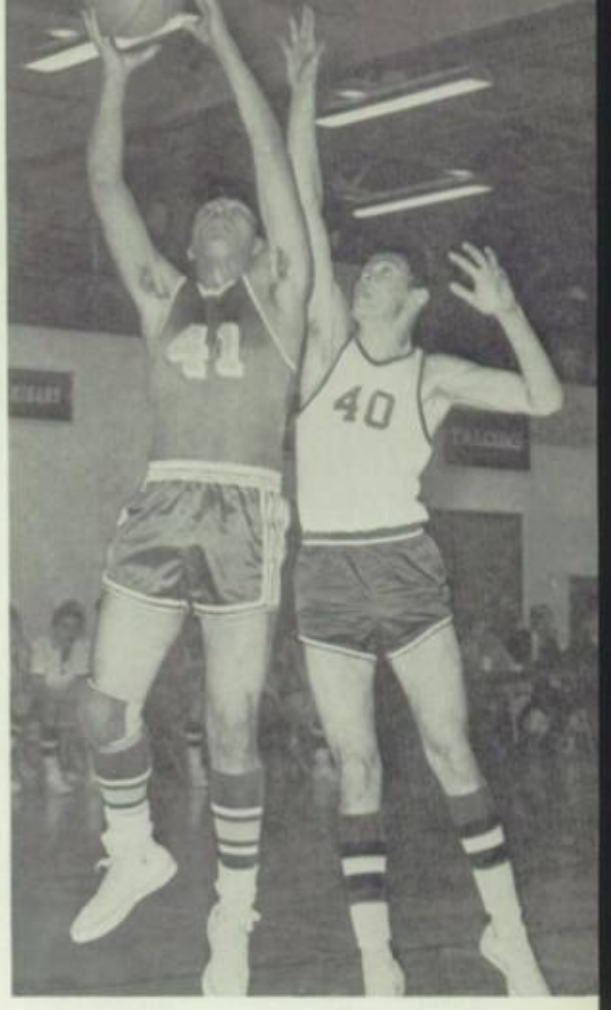
Freshman Team Shows Promise

The Freshman team of 1966-67 successfully coupled height, shooting ability, and enthusiasm to post a 6-5 won-lost record. Coach Troesken's hard-hustling 9th graders racked up a 3-game winning streak during the season even though their rugged schedule included several games against tough Class B foes. The junior varsity will undoubtedly benefit from an abundance of promising talent next year when most of boys will return to star on the junior varsity team.

Denny Simonovic breaks loose for long yardage.



Jesse Anguiano gives maximum effort for a rebound.

"Golly, I hope the sand isn't too hard," Jerry Saunders says as he takes first in the CML Track Meet.

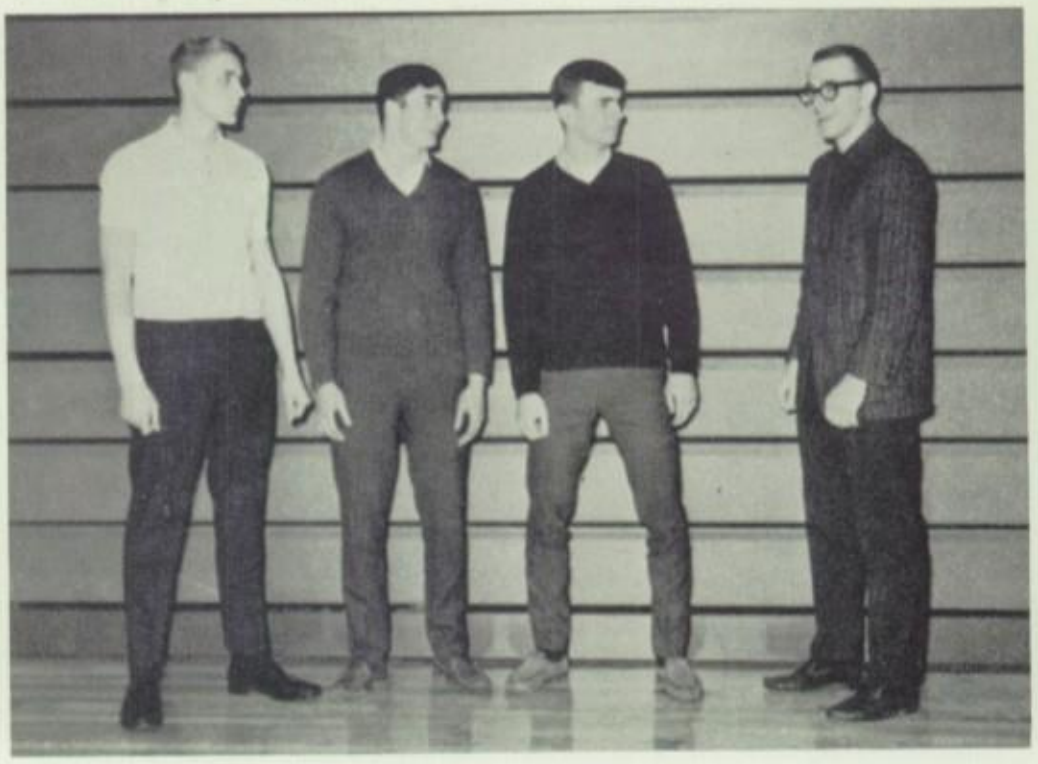
Regional champion Les Moeller with Coach Britton.

Depth in the long-distances, a promising array of sprinters, and experienced veterans in the high and broad jumps comprise Breckenridge track fortunes for the 1967 season. Most of the team which took 4th place in the conference and sent several boys to the regional meet will return to greet new Head Coach John Britton. A stiff schedule consisting of several triangulars and the conference relays is up for the Huskie thin-clads.

A solid core of lettermen plus a host of newcomers will provide for a well-balanced team in baseball this year. Coach Troesken's Huskies are considered strong contenders for the conference championship as well as the Mount Pleasant Invitational Tourney which they captured two years ago. Although many experienced veterans are returning from last year, no positions are considered safe, and the many former J. V. 's are prime contenders for the starting nine.



These three boys were conference champions and went on to the regional meet. LEFT TO RIGHT: Jerry Saunders, Les Moeller, Denny Simonovic, and Coach Britton.

Christmas Concerts

On December 11, 1966 the Breckenridge High School Senior band delighted the area public in its yearly Christmas Concert. One of the highlights of the concert was the band's rendition of Leroy Anderson's modern Christmas composition "Sleigh Ride". They also played the moving religious number, "O Holy Night".

One week after the band concert, the concert choir gave its annual Christmas Concert. Among the numbers by the Choir were "Drummer Boy", "Indian Carol", and "'Twas the Night Before Christmas".

The new school began

No one who was there will forget the bright spring day when the entire student body and faculty, led by the band, walked from the old junior-senior high school to the barren site picked for our new facility.

with a parade,

As we moved from the old to the new, we gathered strength as interested members of the community joined the procession.

a prayer,

Before the actual ground-breaking ceremony began, the participants as well as all those assembled paused for a moment to call upon all those concerned with the new school the blessing of God for the wisdom to be correct and just in all their judgements.

Mr. Robert Smith, President of the Board of Education, began the actual physical development of the Breckenridge Community Junior-Senior High School by turning over a spade of earth with a gold shovel.

and a spade

As a symbol of the involvement of the total community in the school, Mr. Lloyd Shankel, Chairman of the Citizens' Study Committe, turned a spade of earth.

The student council president, Don Clingenpeel, as representative of the student body turned over a spade of earth to indicate student involvement in the work of building a school which was to be more than just a building but rather a living thing.

but soon it was done and then

After several minor production setbacks, the workmen, in November of 1966, put the finishing touches on the gymnasium floor; and the new school was ready to be fully used.

On December 4, 1966 a large crowd filled the gymnasium to see the culmination of all the efforts put into the new school, the dedication ceremonies.

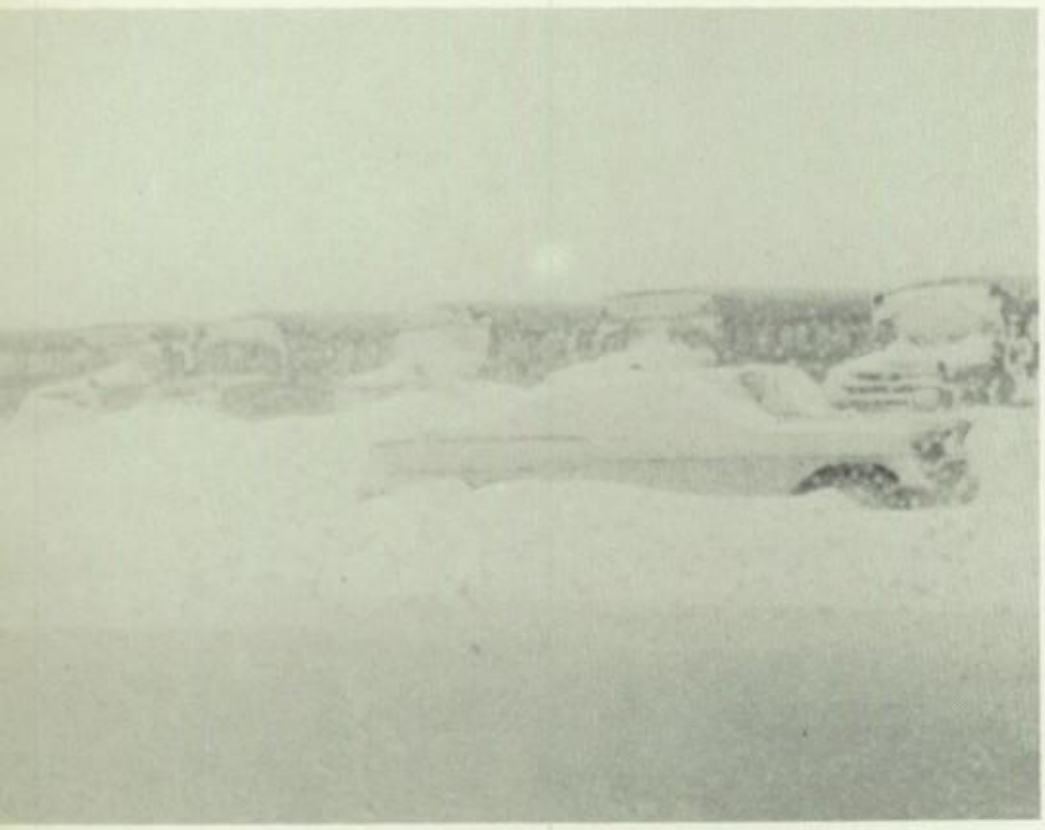
The dedication ceremonies represented the last step in a chain of events which has helped to elevate the stature of the Breckenridge educational system. Every person involved in this undertaking can feel a sense of pride in the total accomplishment. To those people who worked and gave of themselves to the task, the BRECKSONIAN on behalf of the administration, faculty, students, and community gives thanks and admiration.

After the formal ceremonies in the gymnasium were concluded, the people who were there met in the cafetorium for refreshments and later went on tours of the school.

Winter 1967



The snow kept falling and falling--and locked the busses in the parking lot---

It hardly seems possible that these pictures belong in an activities section, but the conditions shown did contribute to a very popular student activity, staying home. We hope that in years to come when you are taking a nostalgic look at the 1967 BRECKSONIAN, you will remember the winter of 1967 and the initiation to Michigan winter which nature gave to the new school. However, most of all we hope that you will remember the warm associations and good times that you had inside Breckenridge High School.

---and then more fell, and, zip, the building itself was sealed up---

---and soon even the little court by the library found itself filled by piles of strangely shaped snow.

Gretch Love,!

Here had such unusual times I don't know where to start. Remember all the great (?) discussions in Bible Club and the <u>wild</u> parties. They wouldn't have been the same without you! Our great trip to Flint was a real ~~a~~ riot too, (Ha'Ha!). And don't ever forget our meals together (the Choir banquet and at your house) You'll have to come to my house so I can pay you back (Ha.Ha!) If you could take it. Gretch, you're such a great, understanding person that I can't even begin to express my thanks to you for everything. Just stay as great as you are but then I know you will. I wish you all the happiness in the world and try not to forget me.

Love

Rosemary

P.S. Tell Ralph I said "Hi!"

Gretch,
Don't cry. I still love you. Remember all the fun we've had this past year and all the stupid things I did, like the whipped cream at Detroit and marching season. You can forget all the wrong notes I played. I won't feel bad at all if you do. Remember the party we had for Terry, she never caught on. Tell Ralph hi for me and good luck always. I shall never forget you.

Ronda Cole

P.S. I'll come back and see you and maybe even write if I get ambitious. Good luck with my Jof next year.

Gretchen,
Piano Pal !!!..
See Gretch, I'm really going to miss you. You'll just have to write me upon all the things we used to do together. Keep me posted on all the gossip!!..
Before we part, I think of a great idea. Maybe we could get together and play a "Kool" song. Hope you remember all the great times we had in the band. Don't forget all the fun times we had playing the piano. Don't forget all the "clock sounds" we made. If ever you are down our way, please look us up. It's really great! Don't forget to write.
Best of luck to you.
Love ya,
Pauline '61"

P.S. Best of luck with your WHO!!

Gretch,
To a sweet gal,
Remember all the
fun we had in Band
and Ralph. Good Luck.
Love.

Gretch,

I'll bet you will never
forget our wild geometry class
(never in your whole life). We've
had a lot of fun this year and
I have a feeling that in the
next two years we'll even have
more fun. I hope we stay the
best of friends. And remember
Gretch, just keep getting those
lips in shape.

Good Luck
Jo

Gretch,

To a real
great sophomore girl.
Remember all the
fun we had in
choir. I don't
know what I
would have
done sometimes
without you
beside me.
Best of everything
to you in the future.
I hope your years in
B.H.S. are as great as
my one year was.

Your choir buddy,
Kath '67'

Gretch,

Congratulations on your Driver's License,
the Yearbook, etc (if you know what I mean). You
are not a "fairweather friend" as we used to call
them, but one who will be on my list for always.
There is no since in wasting space trying to express
myself. My feelings are too deep for that. Besides, I
can talk to you almost ~~every~~ any time. Good luck Book,
going. I know you don't need luck to keep you

See you around, cousin,
Dianne

Dretch,
So a real sweet girl
I remember all the fun we've
had here at B. H.S. I hope you never
forget the good discussion we had at Rosemary's A
house. I hope you keep your chimpanzee and keep smiling.
Best wishes in the future-everything you may do
do. I hope you make a real smashing success
A friend Always
Mary Anders

Dretch,
I just got all-
Happy Birthday!
Then don't start remembering
all we've done-it's too much, and just
I could write a whole book! Just
stay sweet and be good and lots
luck!
your friend,
Kathy Williams

P.S. Say hi to Ralph I
are like him sometime.

Dretch,
I always thought that
you was the Monster in
the B can feild, No not really.
Next year when your least
expecting it I'm going to
sneak up behind you and
—— you with a hol

You know
who I am

P.S seen any more flying
bear bottles

Dretch,
Be the funniest
Lots of luck
you do.

P.S. Remember
our
Bible club parties.
